Finished size:	Width: 6 cm
	Length: 11 cm
	Height: 3.5 cm

\* These are sized to fit children from newborns to six months of age.

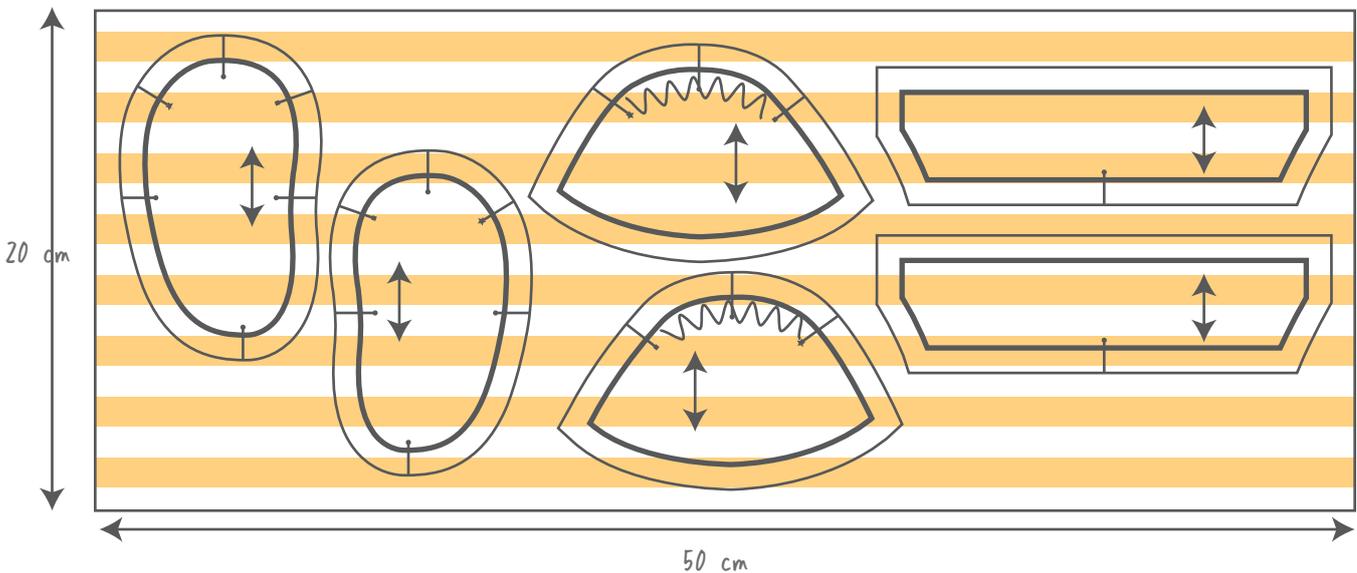

★ Choose your favorite fabrics, such as gauze or interlock!! You can even use towels or handkerchiefs.

Cutting guide \* Cut out the pieces as shown below.

Top fabric / Gauze

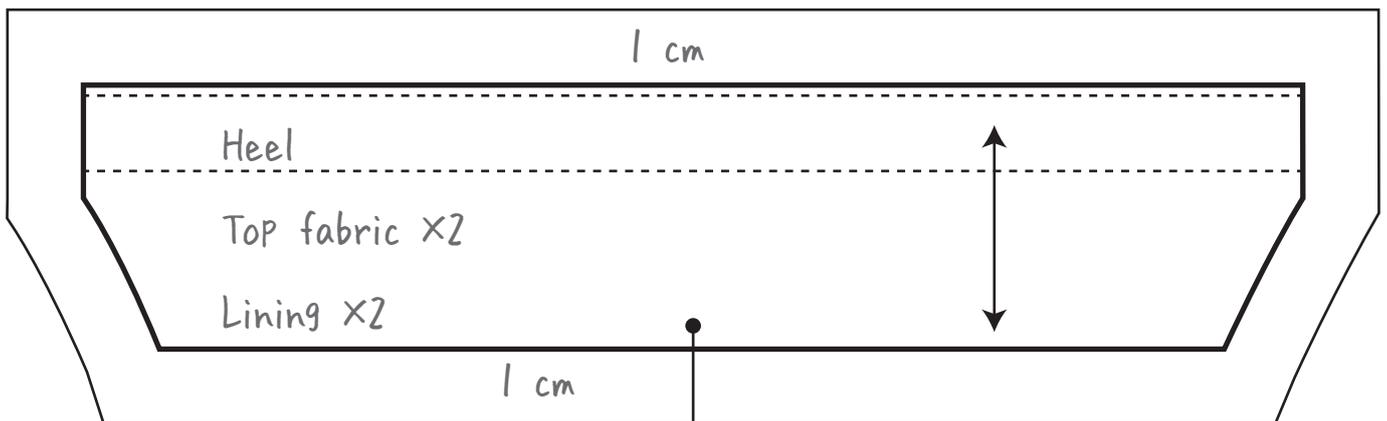

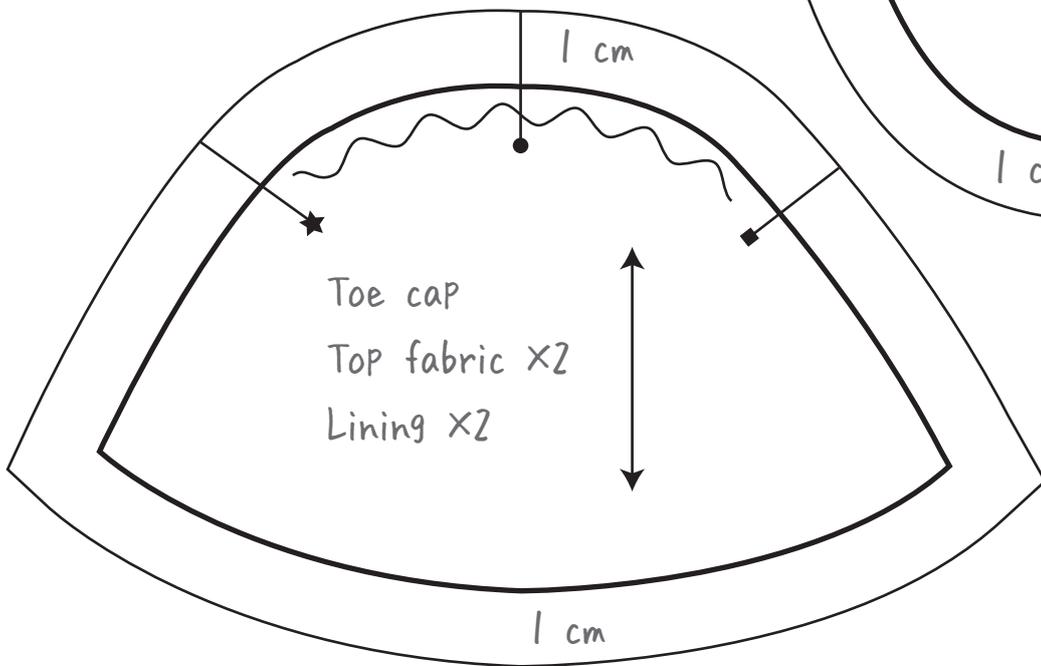

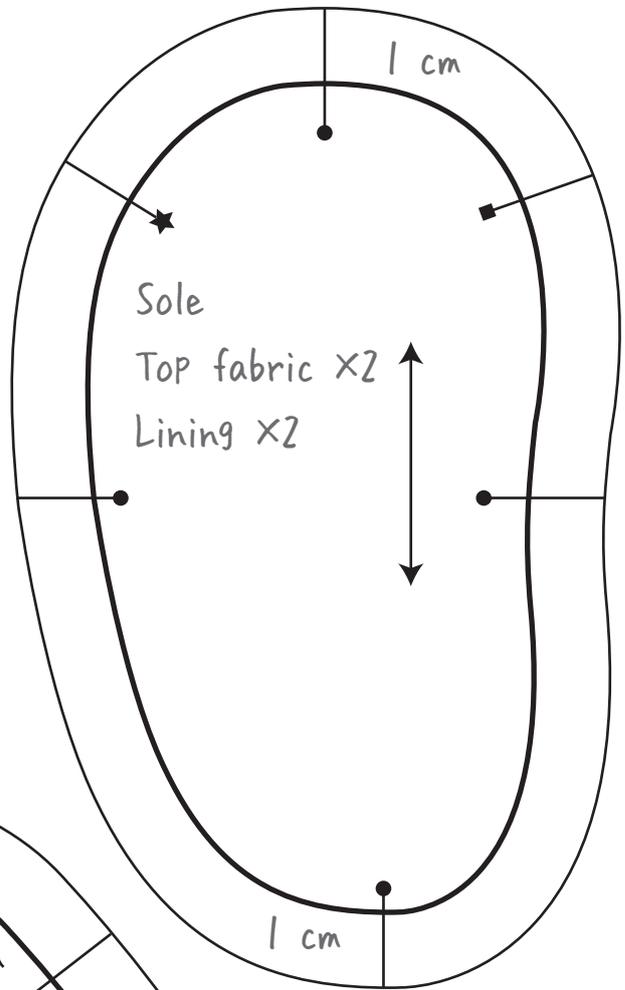

Lining / Pile

★ Decorate as desired, using tape, embellishments, etc., to create original designs.

# Actual size pattern for booties

- \* The basic seam allowance is 1.0 cm.
- \*  Cutting line
- \*  Stitching line
- \* Arrows indicate the direction of the fabric grain.

## \* Step 1

Sew together the toe cap pieces.

- ① With right sides together, sew the outside and lining of the toe cap along the throat.

**Note**

Sew reverse stitches at the beginning and end of stitching.

- ② Press the seam, and then turn right side out. Stitch along the edge of the throat.

**Note**

Sew reverse stitches at the beginning and end of stitching.

## \* Step 2

Sew together the heel pieces.

- ① Baste the tape to the outside of the heel.

★ Decorate as desired, using ribbon, name tags, etc.

- ② With right sides together, sew the outside and lining of the heel as shown, and then turn right sides out.

**Note**

Sew reverse stitches at the beginning and end of stitching.

- ③ Stitch along the edges of the casing for the elastic.

**Note**

Sew reverse stitches at the beginning and end of stitching.

## \* Step 3

Sew together the sole.

- ① With right sides out, overlap the outside and lining of the sole, and then stitch along the edge.

**Note**

Sew reverse stitches at the beginning and end of stitching.

- ② Sew stay stitching with long stitches between the ★ and ☒ marks on the toe cap, and then create gathers. With their lining sides together, place the toe cap on top of the sole, and then stitch them.

**Note**

Sew reverse stitches at the beginning and end of stitching.  
Be sure to sew leaving the toe section roomy.

- ③ With their lining sides together, place the heel on top of the sole, and then stitch them.

**Note**

Sew reverse stitches at the beginning and end of stitching.

- ④ Pass the elastic through the casing in the heel, and then sew the heel to the toe cap so that the elastic is 10 cm long. Sew along the edge of the sole with overlock or zigzag stitching.

**Note**

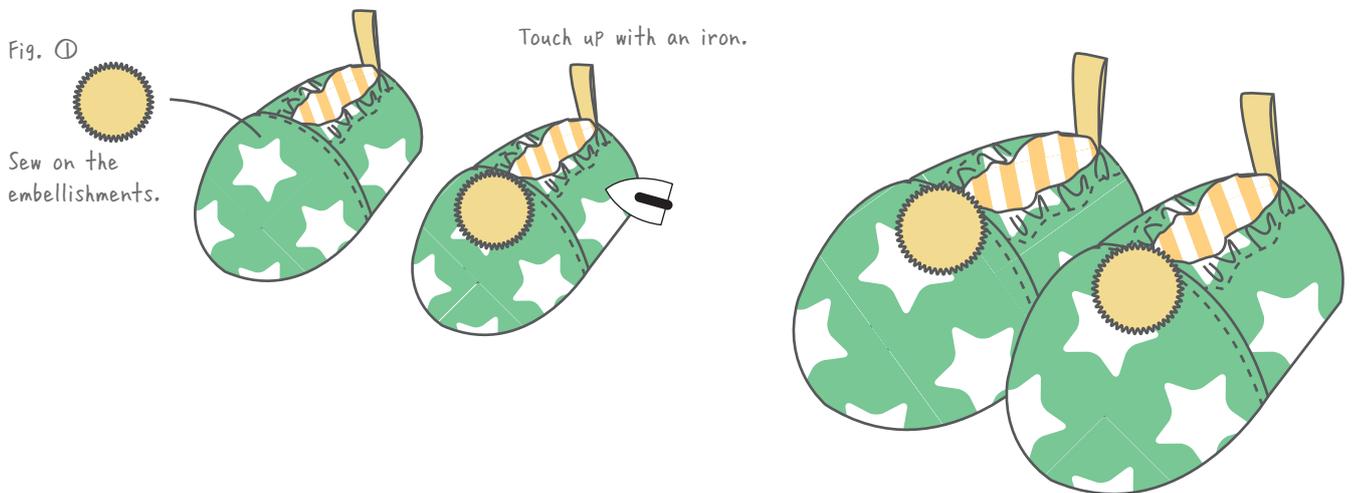

Sew reverse stitches at the beginning and end of stitching.

**\* Step 4**

Attach the embellishments.

- ① Turn right side out, and then touch up with an iron. Sew on the embellishments, and you are finished!!
