

French-sleeve T-shirt

*1. If there are no instructions to use a specific stitch, use the straight stitch.
 *2. Presser foot "J" (straight stitch/zigzag stitch) and overcasting foot "G" will be used.

< Materials >

- Jersey fabric (110 cm wide x 125 cm)
 - * Use fabric that does not have edges that roll up when it is cut.
 - Machine thread for knit fabrics
- Cut while adding the seam allowances indicated in ○.
 * There is no seam allowance at the neckline.
- Bust size: 75 to 85 cm

First, draw and prepare paper patterns, as shown below.

1 Sew overcast stitching along the body of the front and back.

2 With their right sides together, sew together the front and back along the shoulders.

Sew overcast stitching along the shoulders, sleeves and hem.

3 Fold over the sleeve hem, and then sew with an elastic zigzag stitch.

4 Form a ring with the bias tape, and then sew it to the neckline.

Fold over both edges and iron, and then sew together both ends to form a ring.

Form a ring with a 1 cm seam allowance.

Starting from the center of the back, sew 1 cm from the edge.

Fold the bias tape to the right side, and then sew one line of stitching along the edge.

5 With their right sides together, sew along the sides.

Sew together the two pieces with an overcasting stitch.

6 Fold over the hem, and then sew with an elastic zigzag stitch.

Done!
