🍒 Functions

Hello Kitty

Easy Threading System

Automatic Needle Threading
Follow the guide and thread the needle with just a finger.

Drop in Bobbin
Simply install the bobbin and pass the thread in the direction of the arrow. Pull up the bobbin thread and you're ready. It couldn't be easier!

Easy Bobbin Winder
Wind the thread around the bobbin 5 or 6 times and pass the thread through the guide slit in the bobbin winder seat. Now you're ready to press the start button!

Support Your Creativity

Various Stitches
Choose from 181 utility, decorative and satin stitches. Plus, select from 10 one-step buttonhole styles to make sewing exciting and fun.

Embroidery Editing Function
Easily combine designs or letters and edit on-screen. Ability to drag and drop embroidery designs for easy positioning and editing.
